REASON FOR NOMINATION

Why does this law enforcement officer deserve to be awarded for outstanding response to a mental health crisis?

Describe how the nominee demonstrates excellence. Please share a specific story or example which we can share during the award presentation.

List any outstanding accomplishments.

Thank you for your interest in nominating an officer for the David's Hope 2019 "Crisis Response Officer of Distinction" award. You are welcome to create and submit an additional page to explain the exemplary service of the officer you are nominating. Referencing of specific events, will better enable us to honor the officer publicly for his service. The narrative we read at the awards dinner will be no more than 300 words. If you want to write a narrative that can be read verbatim, we can do that if your write up contains all of the necessary elements. Thank you.
